Domino pyramid 1

Here is a pyramid of dominoes. The sum of the two lower dominoes has the same sum as the domino above. Can you put the dominoes in the correct rows to solve this addition pyramid?

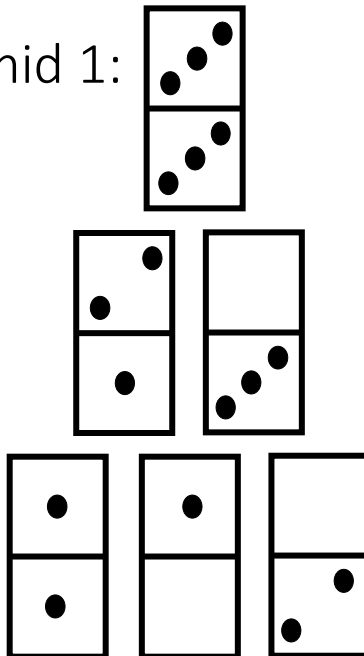

Domino pyramid 1

Here is a set of dominoes for you to use.
Can you put the dominoes in the correct rows to solve this addition pyramid?

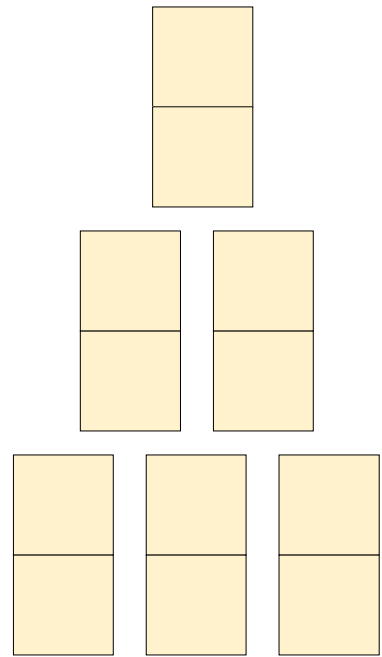

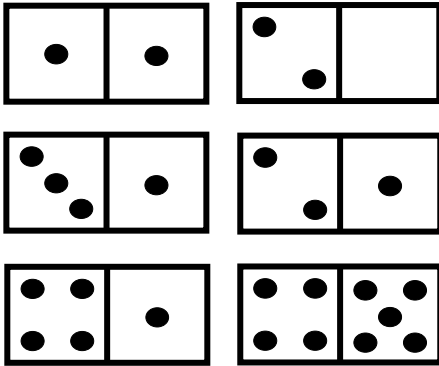

Domino pyramid 1:

Here is the solution

Domino pyramid 2

Here is a set of dominoes for you to use.
Can you put the dominoes in the correct rows to solve this addition pyramid?

Domino pyramid 2:

Here is the solution
