

Multiplication and division triangles

Print this page out and photocopy onto coloured card.

Carefully cut each triangle out.

Place face down on the table. Select one card and slide it to the edge of the table. As you slide it off the table, place your thumb firmly over one corner.

Flip the card over. Work out the missing number (which is under your thumb). When you think you have the answer, reveal the correct answer by removing your thumb.

Play this game in pairs or small groups. Taking turns to turn over a card. If you answer correctly, you may keep the card. The player with the most cards at the end of the game is the winner.
