

Number square

The Busy Lizzie Maths Library

Number square

1	2	3	4	5
6	7	8	9	
11	12	13		
16	17			
21				

Here is a number square.

The corner of the number square has been torn off and lost.

Can you work out what was the largest number on the square?

How did you work your answer out? Can you explain your thinking to a friend?

Number square

1	2	3	4	5
6	7	8	9	10
11	12	13	14	15
16	17	18	19	20
21	22	23	24	25

Here is the missing corner of the number square.

The largest number is 25.
